

Benefits

- Easy to use and install
- Ideal for both under and in cabinet lighting
- LED Technology for long life

Key Features

- TrioTone™ colour change technology
- High light output
- Fit Elongated design allows for vast spread of light across worktop
- Magnetic mounting plate
- No visible Screws
- Low profile Design

Product overview

Being the perfect addition to your contemporary kitchen, the Astro TrioTone™ is the perfect combination of form and function.

Being only 4mm in depth, the Astro TrioTone™ is a discreet light source and its elongated design ensures it illuminates even the deepest of worktops or cabinets.

The product features TrioTone™ technology allowing the user to change the colour temperature at the flick of a switch, making it a great choice for the everchanging kitchen environment.

Finally, the Astro TrioTone™ features a wide beam angle, increasing its use-case beyond under cabinet and is compatible with Sensio's range of receivers and sensors.

Technical Specification

Power	4.8W
Voltage	24V
Light Output	270lm
Lumen per Watt	56.25Lm/W
Color Temperature	3000/4000/5000K
Beam Angle	120°
Cable Length	1.5m
Operating Temperature	5°C to 45°C
Material	Aluminum

Mechanical Specification
